CHANGE . . .

an element in life which is ever present and unable to ignore.

Change occurs in many ways — people's ideas and opinions change, their lifestyles, as well as everything around them which changes at one time or another.

Have you ever thought how life would be without change? We wouldn't exist. The earth would not have gone through its various stages of formation and man would not have evolved if there had not been change.

We must learn to accept things as they change from one generation to the next. It may be frightening for some while for others who are strong it is only another challenge of life. This is existence.

The past is unchangeable leaving only an imprint in time. The present is here and we must live life to its fullest for the future is tomorrow bringing only more change.

What does the future hold for us? No one knows, but here is our part of existence bringing you the past. The past with (we hope) many golden memories as well as the memories we'd rather just file on the shelf and forget.

Existence '72 went through its own change this year and is dedicated to a great man who was an inspiration to all those who knew him as well as being a good friend and teacher.

We the staff, feel that Existence '72 is as much a part of him as it is of us and therefore, is dedicated to Mr. K who, in our minds, will never change.

# june 4 1972-CHANGE

# *a decade has passed...*

and the 10 year anniversary  
of stritch has arrived

*"Time does not close one door without opening up another"...  
Ten years have passed at  
Cardinal Stritch with many new  
changes that have taken place.  
People have changed, new ideas  
generated, and traditions broken,  
with the thought in mind that  
"through time comes change,"  
and this is what happened at  
Stritch in the past decade.*

*Since 1962, Stritch has been  
known as a "family" developed  
through attitude and determination,  
striving for something great...*

*And so it is-- a school with  
new additions in people and ideas,  
and an atmosphere of love- striving  
together for success... and reaching  
it.*

# stritch firsts

# football-1971

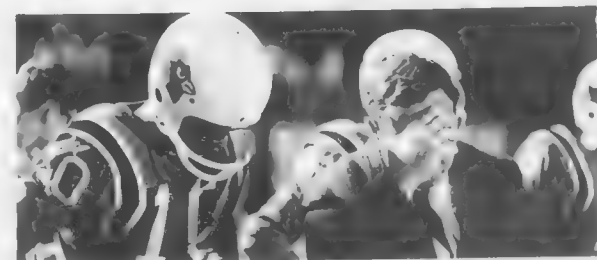

*For the past ten years, Mr. Martin Vieth has built and established an athletic program and philosophy that is a credit to him and to Cardinal Stritch High School.*

*Mr. Vieth was responsible for our acceptance into the coveted Blue Division of the City League in 1970, improving Stritch's prestige throughout the city. As a direct result Stritch has shown that the AA school can hold its own against the AAA establishment. Many student athletes have received honors and awards that came through the Blue Division*

*Mr. Vieth's football teams were characteristic of his own determination and drive. In spite of a tough schedule and a lack of initial talent in the school, he led our team to a 36-29-3 record. In the last three years the team, under Mr. Vieth's leadership compiled a 17-9-1 mark.*

*He is now relinquishing the position of Head Coach to devote more time to Guidance Counseling. He will, however, retain the title, Athletic Director.*

*We thank you, Mr. Vieth for your loyalty, for your dedication, and for the continued excellence of the athletic program.*

## a tribute to a pioneer sportsman

# Stritch Regains 'Bird Cage' As Bartha Sparkles

## Cardinals At Start; Clay Eyes GLL Tilt

by Ernie Curley

Having recovered the "Bird Cage" trophy by virtue of defeating Clay, 25-6, in the annual city championship clash, Cardinal Stritch goes after its sixth straight victory in a 1:30 p.m. Saturday game at Start's stadium. In the Blue Division, the Cardinals are 2-1.

The road to a Blue Division crown, Coach Marty Vieth admits, is a rough one for the Cardinals must dispose of Start, St. Francis (3-0) and Woodward (3-1) on successive Saturdays to stay in title contention.

Clay, which now trails Stritch in the city series 2-4-1, will turn its flickering hopes on Great Lakes League glory. Fostoria, 2-1 and clinging to second place in the title chase as the result of beating Sylvania, 13-6, last week, moves into Clay Stadium for an 8 o'clock clash Thursday night.

The game was advanced a day because of the Northwestern Ohio Teachers' meeting Friday. Clay is 2-1-1 in the GLL and 3-2-1 overall.

### Robbi Juhasz Romps

The Cardinals, who dominated the city title game statistically, received an early victory spark when Halfback Robbi Juhasz, 145-pound junior scatback, scooped up a Clay pitchout on the first bounce and rambled 55 yards down the center of the gridiron, outdistancing an Eagle defender.

Rick Bartha's generalship prevailed the rest of the contest behind razor-edge blocking and stout Cardinal defense.

Bartha proceeded to use Pat Kamelesky on a screen play to Clay's 48, Juhasz rambled for three successive gains, one a lateral which carried to the Eagle 15; Joe Durst on a reverse rolled to the six and the "general" swept his right end to score. Bartha tried to run for the two extra points, but it failed.

### Ted Hill Connects

With slightly less than two minutes left before the first half, the Cardinals took over on their 15-yard line. After substantial gains by Juhasz and Pat Kamelesky, and a 24-yard jaunt by Bartha, the Cards found themselves in scoring position again. Bartha then pitched out to Kamelesky, who in turn passed to Slotback Ted Hill on target in the end zone for a 18-0 halftime lead.

Bartha took to the air for the fourth Cardinal tally. On the heels of a 29-yard toss to Senior End Mike Manthey, the star quarterback found Hill again open and rifled a 6-point bullet to the junior receiver. Rick Harris' third PAT attempt this time worked.

In the third quarter, 218-pound Tackle Rick McQueary nipped a Clay scoring threat by recovering a Clay fumble on the 31. Moments later another Clay drive, spurred by Junior Mike Lehman's bullet-like passes and Jim Harrell's fine running, advanced the Eagles to the Stritch 31 where Co-Captain Rick Koschalk intercepted a pass to climax his strong defensive play.

### Clay Scores Late

Clay moved 71 yards in the closing minutes for its touchdown as Stritch substituted freely. Harrell, John DiAnniballe and Brad Watterworth pounded their way to Stritch's one foot line where Harrell cracked center to score.

Stritch outdowned Clay, 13-11, amassed 140 yards rushing to Clay's 119 and collected 86 yards to Clay's 83 in the aerial lanes. Lehman completed 9 of 21 passes and Bartha hit on seven of 15.

# editor's note

**CHANGE... a thing of  
the past, present, and future...**

Here is the past, a record of activities that you have made during the 71-72 school year. A year full of turning events—ever changing.

And with this year comes many thanks to a great group of people who I couldn't have done without, and I give the following all the credit in the world for trying to put this publication together even though we weren't always sure we were right.

To Mr. Turnwald, for without whom we could not have brought you Existence 72... Mr. Quinn and Nancy Dusseau for nandling all the business affairs... Mrs. Haynes, Sr., Blanche and Sr. Rachel, our great office help... Carol Miller for all the artwork and cover design... Mr. Paul Kenney, Mr. Hank Zieman '66, and Mr. Art Chabon, photographers... Mr. Schlagheck for being interested and helping whenever we got in a jam... Sr. Lucille Marie and Mrs. Chabon, our advisors... and my staff... what a great bunch... Joe for the moral support and understanding... Dave Drlik, my assistant editor... and my special thanks goes to Mr. K for giving me this job of responsibility which I accept to prepare me for my "existence."

*Jeanne Harvey*
